**SUBJECT:** Blacklisted Company – Visionlink

The purpose of this document is to make the public aware that Visionlink is no longer an authorized partner of Vicon Industries. All ongoing contracts between Visionlink and Vicon Industries have been cancelled.

It has been brought to our attention that Visionlink may have fraudulently collected deposits from companies on the promise to deliver Vicon equipment. Vicon has no record of these projects and has been unable to contact Visionlink.

Whenever any allegation of illegal activities is received, suitable action is taken against the vendors and persons found guilty in such cases. Vicon has been unable to establish communication with the ownership of Visionlink and has taken this step to protect any future companies and the reputation of Vicon in this region. Vicon Industries is committed to ensuring the highest degree of probity, public accountability and transparency.
